Youth Guest Program

Welcome to the Youth Guest Program under the Youth Outreach efforts at mala market! The program invites kids in with the agreement that we provide space to them for free while 20% of their sales profit goes to a charity/organization of their choice. In addition to that, 15% of their profit is required to go directly to their personal savings account. The YGP encourages kids to challenge their skills, creativity, and business knowledge. We encourage money wise conversations and always push kids to embrace their natural talents/creativity! We are looking forward to creating an uplifting and supportive environment for the youth to thrive and elevate their minds!

As a member of the YGP, we ask that you choose a charity or a local/national organization that you, as an individual, support. We encourage you to choose an organization that helps the greater benefit of the community and world around us and aligns with your personal values. Please list the organization of your choosing below. Please include the **organization's** physical address, phone number, and website link. Lastly, please fill out our short essay section following the prompt given.

Name of the Organization

Address/Phone of the Organization

Website link to the Organization

Short Essay - Why did you select this organization to donate to and what impact do you hope your donation will make?

_____

_____

_____

_____

_____

_____

_____

_____

By signing this agreement below, you agree to donate 20% of your sales profit to the organization of your choice (listed above) and you agree to reserve another 15% of your sales profit towards your personal savings account. You are also in agreement that your participation in the YGP is contingent on providing valid receipts of proof indicating the completion of **monthly** donations to said organization/charity.
